Principal sponsor

Silver sponsors

Understanding the Program

Ages are determined based on the athlete's age as of December 31 in the year of the competition.

All events are 'open gender' with males and females both able to participate.

Individual events, Single Rope Double Unders, Double Dutch Speed Relay and Double Dutch Contest Speed will be judged with medals awarded to NT athletes for 1st, 2nd and 3rd places.

All other events are display/demonstration events.

The MC will announce when skippers should move to the 'marshalling area' to be ready for their events. Athletes should take note of the sessions they are participating in, so they are ready when called for marshalling. Coaches will help skippers to find the station or floor in which they will compete. It is important skippers compete in the correct order and in the correct station as this is linked to the scoring system.

Session 1 – Single Rope Individual Freestyle

- 17-24, 50+

JUDGES	
Presentation A	Valerie Smith
Presentation R	Tiffany Mann
Required Elements	Emma Rowe
Difficulty	Jeremy English (from recording)
